Club Soc

Under the auspices of the Self-Culture Club a social was given in honor of the officers of the Club at the home of Mrs. C. J. Campbell Wednesday evening. Neat invitations were issued about thirty-five guests were present. The rooms were tastefully decorated for the occasion with carnations, ferns, and heart-shaped cards. The social was in reality a Valentine party as hearts were in evidence in games, refreshments and decorations. A drawing contest created considerable merriment for all present. A hearty welcome was offered to the ladies who, blindfolded, could not tell the outline of a pig and a bear for the gentlemen and the ladies. Ursel Rose and Mrs. Winters carried off the prize. A basket of hearts was indulged in by the winning side receiving a box of which, of course, went to the ladies. The gentlemen were awarded a box (however) for allowing the ladies to have the refreshments served. The affair proved to be a most pleasing home social and a treat to the city.

An Explanation

The ready-prints furnished to us each week by the Western Newspaper Union, failed to reach us for our last issue and we were compelled to send to Brigham for blank paper and print a 4 page home-print sheet in order to come out on time. Many of our subscribers missed the inside pages of the Globe and supposed that the mail-carrier had lost them. You will find the story "Joan of the Sword" on an extra sheet of this issue.

Common Colds are the Cause of Many Serious Diseases.

Physicians who have gained a national reputation as analysts of the cause of various diseases, claim that if catching cold could be avoided a long list of dangerous ailments would never be heard of. Do not risk your life or take chances when you have a cold. Chamberlain's Cough Remedy will cure it before these diseases develop. Compliments

The last issue of the Garland Globe completed its first year, during which time it has always been a prompt and Welcome visitor to our desk. Its columns have always appeared clean, bright and interesting. Having successfully weathered the difficulties of its initial year, there is no reason why each succeeding year should not add increased patronage and general prosperity. The News desires to express best wishes for the future success and welfare of the Garland Globe and also its ambitious editor, J. A. Wixom, in whom we feel a personal interest, he having served as a faithful employee to this paper for a number of years.—Bozelle News.

The Garland Globe has completed its first year of publication, and Brother Wixom is to be congratulated upon his excellent work in building up and publishing so newsworthy a journal in so small a city. May he live long and prosper.—Tremont Times.

Marshal Geo. Henrie, who appointed Geo. F. Bowen as deputy during the sugar factory campaign, has taken his position again as city marshal. Mr. Bowen gave entire satisfaction during his term of office.

Last Saturday being "Bear Day" and old Bruin failing to see his shadow indicates that spring is near at hand. However, quite a number of people view the sign in a different light and predict 6 weeks of winter to follow.

A big musical festival is to be given in Salt Lake City in April and a festival chorus has been selected consisting of nearly 400 singers for the occasion. Among the sopranos we note with pleasure that Miss Leah Bush is one of the festival chorus singers.

Report of Choir Social

The amount of funds collected at the recent choir social was \$82.50. The expenses amounted to \$81.90, leaving a balance in the treasury of 60 cents.

Dress Ball

The evening of St. Valentine's Day, Feb'y 14th, a grand dress ball will be given in the Garland Amusement Hall under the auspices of the Primary Assn. It's a pleasure to tell our readers about a cough cure like Dr. Shoop's. For years Dr. Shoop has fought against the use of opium, chloroform, or other unsafe ingredients commonly found in cough remedies. Dr. Shoop, it seems, has welcomed the Pure Food and Drug Law recently enacted, for he has worked along similar lines many years. For nearly 20 years Dr. Shoop's Cough Cure containers have had a warning printed on them against opium and other narcotic poisons. He has thus made it possible for mothers to protect their children by simply insisting on having Dr. Shoop's Cough Cure. Sold by all dealers. m16
